2. Title must be in capital letters. It should be short and concise. Title Font Size : 12
3. The name of authors should follow immediately under the title in one line. Type initials and family name of authors in BLOCK letters and underline the presenter's name. DO NOT include degrees or professional designations. The name of institution, city and country should be in lower case, following immediately after the authors, on a different line. Author Font Size : 12, Presenting Author's Name First.
4. Leave one line between the title/ authors/ institution block and the body of the abstract.
5. Abstracts should be structured under following headings.
 - Objectives
 - Methods
 - Results
 - Conclusions
6. It is not desirable to simply state: like "The results will be discussed"
7. Use of standard abbreviations is desirable. Please use special or unusual abbreviation in brackets after the full word, the first time it appears. Use numerals to indicate numbers, except to begin sentences.
8. Do not include graphs and references in the abstract.
9. Use single-line vertical spacing and leave one line between paragraphs.
10. Poster presenters are requested to bring their own printed poster for display. They should also keep soft copy/Pen drive as backup. (Poster size: 34 inches wide X 46 inches height)
11. Organizers will provide poster boards, pins & sticking materials.
12. Students must attach a student certificate forwarded by their Head of the Department.
13. Only registered delegates are entitled to present the selected posters/papers.
14. In e-mail correspondence, please mentions 'Abstract' in the subject line. Abstracts will be reviewed and rated by scientific committee prior to final decision on acceptance.
