

REPORT: WEBINAR-PCOS-BEYOND-BOUNDARIES

The PCOS Society (India) conducted an International Webinar titled **PCOS Beyond Boundaries - Focusing on Hyperandrogenism in PCOS**, on 4th March 2017.

The Webinar began at **2:30 p.m. till 5:30p.m.** at **Taj Santacruz – Mumbai** was the **main hub**. This Webinar was supported by an educational grant from **Bayer Zydus Pharma**

- Prof. Roy Homburg an International Faculty was connected live from Malta & was joined by a multispecialty panel of distinguished experts from India – Dr. Duru Shah (Gynaecologist), Dr. Shashank Joshi (Endocrinologist), Dr. Ashwini Bhalerao (Gynaecologist), Dr. Gulrez Tyebkhan (Dermatologist)
- 6 webcast centres were connected live with Mumbai Hub – Salem, Vizag, Dehradun, Bhubaneswar, Gurgaon, Patna (*attached herewith is the agenda*). Appended below are the local moderators from their respective locations
 - Dr. Gnana Sanker Natesan - Salem
 - Dr. K Chandra Reddy – Vizag
 - Dr. Jyoti Sharma – Dehradun
 - Dr. Gangadhar Sahoo – Bhubaneswar
 - Dr. Ragini Agarwal – Gurgaon
 - Dr. Shanti Roy - Patna
- The Webinar began by Dr. Duru Shah – Founder President, PCOS Society – delivering her Welcome Address and setting the tone for an informative and engaging session on Hyperandrogenism in PCOS
- This was followed by a very interesting 20 min presentation by Prof. Roy Homburg on PCOS – The Global Conundrum
- After 2 impactful presentations, the national & international faculties engaged in a very interactive panel discussion on various cases of PCOS, moderated by Dr. Duru Shah, followed by an engaging round of Q&As involving all the webcast locations
- ~290 doctors participated in the Webinar at the 7 centres, 254 online viewers - That makes a total participation of around 545
- The overall feedback obtained from the participants was very encouraging & positive, one that would enable them to improve their in-clinic practice
